

## **FARMYARD INVENTIONS AT CANADA'S FARM PROGRESS SHOW**

### **Terms & Conditions**

1. The inventor may not enter the contest if employed in any way by Regina Exhibition Association Limited.
2. The invention must be agriculture-related and have at least a functional prototype of the product/service.
3. If the inventor is under 18 years of age, he/she must provide parental consent.
4. The invention may be patent or patent pending.
5. The inventor must staff his/her booth for duration of the three-day event.
6. The inventor is responsible for his/her own transportation and accommodation for duration of the three-day event.
7. Canada's Farm Progress Show, in its sole discretion, may accept or refuse entry forms that are incomplete, illegible or late.

### **How to Enter**

1. Complete the online application form.
2. Entry forms must be received by May 1, 2017.
3. Along with your entry form, photos and/or a video clearly describing the invention must be submitted.
4. The public will vote for the duration of the three-day show for the "People's Choice Award" – awarding the winner with a prize valued at \$5,000. The winner will be announced on the last day of the show – June 23, 2017 at 3 p.m.
