

Advance Price Deadline – May 31, 2019

- Exhibitor is required to remain in booth during hanging of the sign/banner to provide direction to our staff.
- Due to rigging restrictions and building regulations; the exact location, orientation and trim height may not be possible or may require additional rigging and/or equipment (i.e. trusses or chain falls) the technician hanging the banners will advise the on-site contact in the booth and additional charges may apply, these charges will be automatically added to the order. An invoice will be sent after the order.
- Services ordered less than 5 business days prior to the first move-in date cannot be guaranteed.
- Set-up: It is the exhibitor's responsibility to assemble signs prior to being hung by CFPS Staff.
- Tear-down: Upon show closing, exhibitors should remain in their booths until signage can be safely removed by CFPS staff and must be collected by exhibitor. CFPS is not responsible for loss, storage or returning signage after show.
